

# HERITAGE CLUB

**‘Ancient monuments and buildings in the countries make them stand tall on world map. These are an asset to value for’.**

The Heritage club takes an opportunity to hoist awareness about the assortment of cultural legacy and the efforts that are required to protect and conserve our heritage.

The students of Heritage club are participating in various activities in and outside school to sensitize the students about the pluralistic cultural legacy of India and sense of social responsibility towards preserving our common heritage.

We are also working in tandem with Archaeological Survey of India (ASI) and Indian National Trust for Art and Cultural Heritage (INTACH) by participating in various activities organized by them.
